A fantastic opportunity has arisen for two highly motivated people to join the Community Sports Trust - a Community Interest Company developing sporting opportunities at a grass roots level.

Jog Derbyshire is a highly successful, community spirited project across the whole of Derbyshire and Derby City. It encourages people to become fitter and be more active by starting to jog on a regular basis with people of similar fitness levels.

The Community Sports Trust has recently won the contract to manage Jog Derbyshire on behalf of Derbyshire Sport, and partners across the county, funded by Sport England.

You should be a confident relationship builder with the ability to inspire people to lead and develop Jog Derbyshire groups within urban and rural communities.

We are looking for great communicators and co-ordinators- people who have a proven track record of 'making things happen'.

If you are passionate about sport and can demonstrate you have the necessary skills to fulfil this role, we would love to hear from you.
